

SUMMARY

Finance professional with 6+ years across fintech, a high-growth marketplace and Big 4 audit. Built the unit economics, pricing and P&L behind two lending products that reached approximately USD 763.8M in actual first-year originations, and ran the business's plan-fact budgeting cycle from daily to annual with driver-based multi-year forecasts. Built and defended a 15-initiative strategy with approximately USD 458.3M in modelled annual profit potential and a 10-year multi-scenario investment case with six build-vs-buy options before the VTB Bank board. PwC-trained auditor; translates data into clear business insights for C-level and non-finance stakeholders; explores data independently with SQL and BI.

PROFESSIONAL EXPERIENCE

Fintech Strategy & Products Lead Wildberries, Russia

Dec 2023 - Jun 2025

Russia's largest online marketplace, serving 60M+ active users across e-commerce, fintech and logistics.

- Led the seller-lending launch end to end, owning unit economics, P&L, rate and tenor pricing and risk appetite, and co-launched B2C instalments with the CPO: approximately USD 763.8M in actual first-year originations and a USD 394.7M combined portfolio, profitable within six months.
- Ran daily, monthly, quarterly and annual plan-fact budgeting for the fintech business and built driver-based multi-year forecasts against target profitability.
- Ran A/B tests on rates and fees and designed tariffs and credit terms, raising lending-line yield by 10 p.p.; the credit decision cycle moved from three days to 30 minutes.
- Built and defended the WB Fintech strategy across 15 initiatives with approximately USD 458.3M in modelled annual profit potential; led five of 15 through product committee approval.
- Built management and real-time product analytics across seven products covering 30M+ active users; led six direct reports and coordinated 10+ cross-functional partners.

Head of Finance & Strategy

Jun 2025 - Jun 2026

Kompas Group JSC (shareholder: VTB Bank), Russia

Regulated digital-currency platform for cross-border settlement of foreign-trade contracts.

- Built a 10-year multi-scenario financial model and the build-vs-buy case with six implementation options, and defended it before the VTB Bank board, where the model became the basis of the investment decision.
- Renegotiated software, infrastructure and AML costs, adding 10-15 p.p. of margin in the project's financial model.
- Built the finance function from scratch: a five-person team running reporting and the project's financial models.

M&A Analyst | Portfolio Company Audit

Sep 2022 - Dec 2023

Tinkoff Bank, Russia

Russia's second-largest bank by active customers, with 55M+ customers and a digital fintech ecosystem.

- Led audit and advisory projects across 10+ fintech companies (combined turnover above USD 381.9M): assessed monetisation, unit economics and business models, and presented recommendations directly to subsidiary CEOs and bank vice presidents; led a 4+ person team.
- Ran an end-to-end audit of CloudPayments online acquiring across merchant onboarding, transaction processing, internal controls and commission billing; quantified potential missed commission worth about 20% of product revenue.
