SUMMARY

Payments product leader with 6+ years across fintech: owned payments strategy and analytics for a marketplace fintech spanning seven products including acquiring and e-wallets, ran deep dives into payment-gateway and processing data to root causes, and audited merchant onboarding, transaction processing, internal controls and billing logic end to end. Built and defended a 15-initiative fintech strategy with approximately USD 458.3M in modelled annual profit potential and the payments and transactional pillar within it: external acquiring, wallet, debit and payroll cards. PwC-trained auditor comfortable with reconciliation logic, controls and financial reporting. Works with data hands-on: SQL, Kafka, Airflow, DWH, OLAP cubes.

PROFESSIONAL EXPERIENCE

Fintech Strategy & Products Lead Wildberries, Russia

Dec 2023 - Jun 2025

Russia's largest online marketplace, serving 60M+ active users across e-commerce, fintech and logistics.

- Defined the payments and transactional pillar of the WB Fintech strategy: external acquiring (WB Pay), wallet, debit and payroll cards, deposits and savings products; built and defended the full 15-initiative strategy with approximately USD 458.3M in modelled annual profit potential, five initiatives passing product committee.
- Ran deep dives into payments and operations across seven fintech products (lending, insurance, acquiring, e-wallets): traced payment-gateway and microservice data through Kafka, Airflow, DWH and OLAP cubes to root causes, not symptoms.
- Built management and real-time product analytics from scratch across the seven products, covering 30M+ active users; led six direct reports and coordinated 10+ cross-functional partners across product, IT, data, finance, legal and risk.
- Ran A/B tests on rates and fees and designed tariffs and credit terms against target profitability, raising lending-line yield by 10 p.p.; the credit decision cycle moved from three days to 30 minutes.

M&A Analyst | Portfolio Company Audit Tinkoff Bank, Russia

Sep 2022 - Dec 2023

Russia's second-largest bank by active customers, with 55M+ customers and a digital fintech ecosystem.

- Ran an end-to-end audit of CloudPayments online acquiring across merchant onboarding and verification, transaction processing, internal controls and commission billing; identified activity on unverified merchant sites and quantified potential missed commission worth about 20% of product revenue.
- Led audit and advisory projects across 10+ fintech companies (combined turnover above USD 381.9M), presenting Go/No-Go recommendations directly to subsidiary CEOs and bank vice presidents; led a 4+ person team.
- Built end-to-end marketing attribution and channel ROMI for Wallet: marketing spend was cut almost in half while ROMI rose 40%.

Head of Finance & Strategy

Jun 2025 - Jun 2026

Kompas Group JSC (shareholder: VTB Bank), Russia

Regulated digital-currency platform for cross-border settlement of foreign-trade contracts.

- Built the product and monetisation from scratch: tariff grid, unit economics and client journey; closed the regulatory track for the Bank of Russia experimental regime, including AML and API reporting to the central bank and financial-monitoring authority.
- Built a 10-year multi-scenario financial model and the build-vs-buy case with six implementation options, and defended it before the VTB Bank board.

Auditor

Apr 2021 - Sep 2022

PricewaterhouseCoopers (PwC Russia), Russia

- Audited international companies including Nike, Coca-Cola and L'Occitane under IFRS, US GAAP and Russian GAAP, including revenue testing, analysis of financial-performance drivers and client-facing findings.

Investment Analyst | Internship & Independent Client Projects

Jun 2019 - Sep 2022

Interactive Brokers

- Built DCF models and calculated WACC, performed fundamental analysis; provided investment analysis services and managed a portfolio, doubling it over the period.

INDEPENDENT PROJECTS

Independent Fintech Strategy Adviser

2024 - Present

- Advised Magnit, Russia's largest retailer by store count (33,000+ stores), on an eight-product B2C/B2B fintech strategy including acquiring cost optimisation; advised VseInstrumenty.ru, Russia's number-one online DIY retailer, on acquiring optimisation and payments monetisation.
