SUMMARY

Product leader in consumer and B2B lending at scale. Built and launched seller lending end to end and co-launched B2C instalments with the CPO at Wildberries Fintech, Russia's largest marketplace: approximately USD 763.8M in first-year originations, a USD 394.7M portfolio and profitability within six months. Set rates, tenors, fees and promotions through A/B tests against target profitability: lending yield +10 p.p., credit decision cycle from three days to 30 minutes. Built multi-year financial models and ran plan-fact budgeting from daily to annual. Turns segment opportunities into product mechanics and business cases, and validates them with pilots. Comfortable with data: SQL, Kafka, Airflow, DWH and OLAP cubes.

PROFESSIONAL EXPERIENCE

Fintech Strategy & Products Lead Wildberries, Russia

Dec 2023 - Jun 2025

Russia's largest online marketplace, serving 60M+ active users across e-commerce, fintech and logistics.

- Led the seller-lending launch end to end, owning unit economics, P&L, rate and tenor pricing, risk appetite and scoring; co-launched B2C instalments with the CPO, owning the product line, terms, rates and fees, management P&L and plan-fact: approximately USD 763.8M in first-year originations and a USD 394.7M combined portfolio, profitable within six months.
- Ran A/B tests on rates, fees and promotions and designed tariffs and credit terms against target profitability, raising lending-line yield by 10 p.p.; the credit decision cycle moved from three days to 30 minutes; a BNPL product change added about 1 p.p. of margin.
- Identified behavioural signals for scorecard improvements; after implementation by the risk team, portfolio amount at risk fell from about 15% to 8% within six months.
- Built management and real-time product analytics from scratch across seven lending, payments and transactional products, covering 30M+ active users; led six direct reports and coordinated 10+ cross-functional partners.
- Built and defended the five-year WB Fintech strategy across 15 initiatives with approximately USD 458.3M in modelled annual profit potential; led five of 15 through product committee approval.

Head of Finance & Strategy

Jun 2025 - Jun 2026

Kompas Group JSC (shareholder: VTB Bank), Russia

Regulated digital-currency platform for cross-border settlement of foreign-trade contracts.

- Built the product and monetisation from scratch: tariff grid, unit economics and client journey; took the platform to its first successful test transactions.
- Built a 10-year multi-scenario financial model and the build-vs-buy case with six implementation options, and defended it before the VTB Bank board.
- Renegotiated software, infrastructure and AML costs, adding 10-15 p.p. of margin in the project's financial model.

M&A Analyst | Portfolio Company Audit

Sep 2022 - Dec 2023

Tinkoff Bank, Russia

Russia's second-largest bank by active customers, with 55M+ customers and a digital fintech ecosystem.

- Led audit and advisory projects across 10+ fintech companies (combined turnover above USD 381.9M), presenting Go/No-Go recommendations directly to subsidiary CEOs and bank vice presidents; led a 4+ person team.
- Contributed to the optimisation of Dolyami instalment scoring; built end-to-end marketing attribution for Wallet: ROMI rose 40% while marketing spend was cut almost in half.
- Ran an end-to-end audit of CloudPayments online acquiring across merchant onboarding, transaction processing, internal controls and commission billing; quantified potential missed commission worth about 20% of product revenue.

Auditor

Apr 2021 - Sep 2022

PricewaterhouseCoopers (PwC Russia), Russia

- Audited international companies including Nike, Coca-Cola and L'Occitane under IFRS, US GAAP and Russian GAAP, including revenue testing, analysis of financial-performance drivers and client-facing findings.
