SUMMARY

Strategic finance professional with 6+ years across fintech, a high-growth marketplace and AI venture building. Launched two lending products end to end that reached approximately USD 763.8M in actual first-year originations, ran the fintech business's plan-fact budgeting cycle from daily to annual, and built and defended a 15-initiative fintech strategy with approximately USD 458.3M in modelled annual profit potential. Defended a 10-year multi-scenario investment case with six build-vs-buy options before the VTB Bank board, where the model became the basis of the investment decision. Builds and runs Vertov, a generative-video AI platform in production: usage-based billing across seven AI provider gateways, per-model COGS, FX-aware provider routing and a margin guardrail that structurally refuses to sell below cost. PwC-trained auditor; presents trade-offs and decisions to C-level and board audiences.

PROFESSIONAL EXPERIENCE

Product Lead

Jul 2025 - Present

Independent AI Product Development

- Took Vertov, an AI video platform, to production end to end: usage-based billing across seven AI provider gateways, per-model COGS with FX-aware provider routing and a margin guardrail that structurally refuses to sell below cost.
- Run a portfolio of five AI products (generative video, conversational and voice AI, AI app generation, semantic search).
- Built auto-evaluation of AI agents: scenario test cases, autotests, judge agents and a golden set, so agent quality is measured rather than assumed.
- Work as an advanced Claude user: executable skill library, a dedicated subagent per hard skill, adversarial review of every brief and diff before commit.

Head of Finance & Strategy

Jun 2025 - Jun 2026

Kompas Group JSC (shareholder: VTB Bank), Russia

Regulated digital-currency platform for cross-border settlement of foreign-trade contracts.

- Built a 10-year multi-scenario financial model and the build-vs-buy case with six implementation options, and defended it before the VTB Bank board, where the model became the basis of the investment decision.
- Renegotiated software, infrastructure and AML costs, adding 10-15 p.p. of margin in the project's financial model.
- Built the finance function from scratch: a five-person team running reporting and the project's financial models.

Fintech Strategy & Products Lead

Dec 2023 - Jun 2025

Wildberries, Russia

Russia's largest online marketplace, serving 60M+ active users across e-commerce, fintech and logistics.

- Led the seller-lending launch end to end and co-launched B2C instalments with the CPO: approximately USD 763.8M in actual first-year originations and a USD 394.7M combined portfolio, profitable within six months of launch.
- Ran daily, monthly, quarterly and annual plan-fact budgeting for the fintech business and built driver-based multi-year forecasts against target profitability.
- Ran A/B tests on rates and fees and designed tariffs and credit terms, raising lending-line yield by 10 p.p.; the credit decision cycle moved from three days to 30 minutes.
- Built and defended the WB Fintech strategy across 15 initiatives with approximately USD 458.3M in modelled annual profit potential; led five of 15 through product committee approval.
- Structured each business case across problem statement, strategic fit, market demand, risk, commercial model, ROI and go-to-market; presented recommendations to C-level with clear trade-off decisions.
- Led six direct reports and coordinated 10+ cross-functional partners across product, IT, data, finance, legal and risk.

M&A Analyst | Portfolio Company Audit

Sep 2022 - Dec 2023

Tinkoff Bank, Russia

Russia's second-largest bank by active customers, with 55M+ customers and a digital fintech ecosystem.

- Led audit and advisory projects across 10+ fintech companies (combined turnover above USD 381.9M): scoped engagements, assessed monetisation and business models, and presented findings and recommendations directly to subsidiary CEOs and bank vice presidents; led a 4+ person team.
- Ran an end-to-end audit of CloudPayments online acquiring across merchant onboarding and verification, transaction processing, internal controls and commission billing; quantified potential missed commission worth about 20% of product revenue.

Auditor

Apr 2021 - Sep 2022

PricewaterhouseCoopers (PwC Russia), Russia

- Audited international companies including Nike, Coca-Cola and L'Occitane under IFRS, US GAAP and Russian GAAP, including revenue testing, analysis of financial-performance drivers and client-facing findings.

Investment Analyst | Internship & Independent Client Projects

Jun 2019 - Sep 2022

Interactive Brokers

- Built DCF models and calculated WACC, performed fundamental analysis; provided investment analysis services and managed a portfolio, doubling it over the period.

INDEPENDENT PROJECTS

Independent Fintech Strategy Adviser

2024 - Present

- Advised Magnit, Russia's largest retailer by store count (33,000+ stores), on an eight-product B2C/B2B fintech strategy with unit economics and a five-year P&L; advised VseInstrumenty.ru, Russia's number-one online DIY retailer, on acquiring optimisation and payments monetisation.
