

Diyor Nurutdinov
Head of Strategy & Finance | Strategy & Finance Lead · Fintech

Tashkent, Uzbekistan • +998 95 642 38 42 • n.royid98@gmail.com • tg @nroyid • <https://linkedin.com/in/dioryn>

SUMMARY

Strategy and finance leader with 6+ years across finance, analytics, fintech and e-commerce. Developed product strategies, launched lending products with approximately USD 763.8M in originations, built investment cases and presented decisions to a bank board. Translates strategy into P&L, unit economics and executable roadmaps.

PROFESSIONAL EXPERIENCE

Head of Finance & Strategy

Jun 2025 - Jun 2026

Kompas Group JSC (shareholder: VTB Bank), Russia

Regulated digital-currency platform for cross-border settlement of foreign-trade contracts within the Bank of Russia's experimental legal regime.

- Built a 10-year multi-scenario model covering market, turnover, tariffs, P&L, capital and liquidity; compared six build-vs-buy options and presented the investment case to the VTB Bank board.
- Took a regulated digital-currency cross-border settlement platform from concept to its first successful test transactions; built product strategy, roadmap, customer journey, pricing, monetisation, unit economics and the finance function from scratch, including an AI-assisted prototype. Renegotiating the technology and AML setup improved the business case's modelled target margin by 10–15 percentage points.

Fintech Strategy & Products Lead

Dec 2023 - Jun 2025

Wildberries, Russia

Russia's largest online marketplace, serving 60M+ active users across e-commerce, fintech and logistics.

- Built and defended the five-year strategy for the entire WB Fintech business across 15 initiatives, translating the portfolio into product economics, funding requirements and a sequenced launch roadmap; five initiatives passed product committee approval, while my work directly influenced approximately one-third of the portfolio's RUB 36B modelled annual profit potential.
- Directly contributed to launching two lending products that reached approximately USD 763.8M in actual first-year originations and an approximately USD 394.7M combined portfolio.
- The formal title was Head of Analytics. As the scope expanded, I functioned as Fintech Strategy & Product Lead and won shareholder sponsorship to consolidate the fintech portfolio and build its strategy.
- Prepared go/no-go investment cases for Turkey and Uzbekistan, localising economics for currency, funding, cost of risk and regulation, and comparing organic entry with M&A.
- Advised 10+ internal fintech ventures on unit economics and business cases; built management reporting and real-time product analytics across seven products, including lending, insurance, acquiring and e-wallets; led six direct reports and coordinated 10+ cross-functional partners.

M&A Analyst | Portfolio Company Audit

Sep 2022 - Dec 2023

Tinkoff Bank, Russia

Russia's second-largest bank by active customers, with 55M+ customers and a digital fintech ecosystem.

- Led portfolio-level audit and advisory projects for Tinkoff Bank and its fintech ecosystem, covering product economics, finance, management reporting, risk, governance and data-driven process transformation across 10+ companies with combined annual turnover above RUB 30B; worked directly with subsidiary CEOs and Tinkoff vice presidents while leading a 4+ person team.
- Identified a CloudPayments monetisation gap equivalent to approximately 20% of current product revenue by reconciling merchant onboarding, transaction destinations, receipt data and commission billing; built Wallet attribution linking acquisition channel, user action, revenue and spend. After joint budget reallocation with marketing, spend nearly halved, ROMI increased by 40% and average transaction value by 30%.

Auditor

Apr 2021 - Sep 2022

PricewaterhouseCoopers (PwC Russia), Russia

- Performed audits and financial analysis of international companies including Nike, Coca-Cola and L'Occitane under IFRS, US GAAP and Russian GAAP; analysed financial performance and prepared findings for clients.

Investment Analyst | Internship & Independent Client Projects

Jun 2019 - Sep 2022

Interactive Brokers

- Built DCF and WACC models, performed fundamental analysis of public companies, provided investment analysis services and participated in portfolio management, delivering twofold growth in portfolio assets.

INDEPENDENT PROJECTS

Independent Fintech Strategy Adviser

2024 - Present

- Built an eight-product B2C/B2B fintech strategy for Magnit, including CVP, unit economics, a five-year P&L model and own-bank infrastructure and bank-acquisition scenarios; developed the acquiring optimisation and payments-monetisation direction for VseInstrumenty.ru.

Independent AI Product Development | Automation

2025 - Present

- Built five AI products; took a generative-video platform to production with payments, model-level economics, routing across external AI gateways and margin protection, and automated research and reporting with specialised AI agents.

EDUCATION

- HSE University, Master of International Business (MIB), English-taught programme · Moscow, 2023
- Peter the Great St. Petersburg Polytechnic University, BSc in Management, International Business · St. Petersburg, 2021, with honours
