

SUMMARY

Strategy and finance leader with 6+ years across finance, analytics, fintech and e-commerce. Developed product strategies, launched lending products with approximately USD 763.8M in originations, built investment cases and presented decisions to a bank board. Translates strategy into P&L, unit economics and executable roadmaps.

PROFESSIONAL EXPERIENCE

Head of Finance & Strategy

Jun 2025 - Jun 2026

Kompas Group JSC (shareholder: VTB Bank), Russia

Regulated digital-currency platform for cross-border settlement of foreign-trade contracts within the Bank of Russia's experimental legal regime.

- Presented the investment case for the regulated cross-border settlement platform to the VTB Bank board; built a 10-year multi-scenario financial model and compared six build-vs-buy options.
- Took the product to its first successful test transactions; built the economics, monetisation and finance function from scratch and renegotiated the technology and AML setup, improving the business case's modelled target margin by 10–15 percentage points.

Fintech Strategy & Products Lead

Dec 2023 - Jun 2025

Wildberries, Russia

- Built and defended the five-year strategy for the entire WB Fintech business: led five of 15 initiatives through product committee approval; the full portfolio had approximately USD 458.3M in modelled annual profit potential, with my work directly influencing about one-third of it.
- Directly contributed to launching two lending products that reached approximately USD 763.8M in actual first-year originations and an approximately USD 394.7M combined portfolio.
- Prepared go/no-go investment cases for Turkey and Uzbekistan, localising economics for currency, funding, cost of risk and regulation, and comparing organic entry with M&A.
- Advised 10+ internal fintech ventures on unit economics and business cases; built management reporting and real-time product analytics across seven products, including lending, insurance, acquiring and e-wallets; led six direct reports and coordinated 10+ cross-functional partners.

M&A Analyst | Portfolio Company Audit

Sep 2022 - Dec 2023

Tinkoff Bank, Russia

- Built a portfolio view for Tinkoff leadership across 10+ post-M&A and internal ecosystem companies with more than USD 381.9M in annual turnover, including Koshelek.app, CloudPayments, Jump.Finance, Jump.Taxi, Dolyami and T-Kapital; worked directly with subsidiary CEOs and Tinkoff vice presidents, leading the work of a 4+ person team.
- Identified a monetisation gap in CloudPayments equivalent to approximately 20% of current product revenue and linked Wallet marketing spend to user revenue; after budget reallocation, ROMI increased by 40% and average transaction value by 30%.

Auditor

Apr 2021 - Sep 2022

PricewaterhouseCoopers (PwC Russia), Russia

- Performed audits and financial analysis of international companies including Nike, Coca-Cola and L'Occitane under IFRS, US GAAP and Russian GAAP; analysed financial performance and prepared findings for clients.

Investment Analyst | Internship & Independent Client Projects

Jun 2019 - Sep 2022

Interactive Brokers

- Built DCF models and calculated WACC; provided investment analysis services and managed a portfolio that doubled in value.

INDEPENDENT PROJECTS

Independent Fintech Strategy Adviser

2024 - Present

- Developed an eight-product, five-year B2C/B2B fintech strategy for Magnit; developed an acquiring optimisation and payments monetisation strategy for VseInstrumenty.ru.

Independent AI Product Development | Automation

2025 - Present

- Built five AI products; took a generative-video platform to production with payments, model-level economics, routing across external AI gateways and margin protection, and automated research and reporting with specialised AI agents.

EDUCATION

- HSE University, Master of International Business (MIB), English-taught programme · Moscow, 2023
- Peter the Great St. Petersburg Polytechnic University, BSc in Management, International Business · St. Petersburg, 2021, with honours
