

SUMMARY

Project manager with 6+ years in banking and fintech. Delivered e-wallet projects end to end: owned the economics of the Wildberries e-wallet (CAC, cashback, adoption) and built analytics for the wallet as one of seven fintech products fed by the payment gateway. Managed the regulator-supervised compliance track: AML controls and reporting to the Central Bank and Rosfinmonitoring under a Bank of Russia regulatory sandbox, plus merchant verification in acquiring. Led cross-functional teams at C-level: subsidiary CEOs, vice presidents and the board of the shareholder bank. Measurable outcomes: a 15-initiative portfolio with RUB 36B modelled profit potential, RUB 60B in originations, ROMI +40%.

PROFESSIONAL EXPERIENCE

Head of Finance and Strategy

Jun 2025 - Jun 2026

Kompas Group JSC (shareholder: VTB Bank), Russia

Regulated cross-border digital-currency settlement platform under a Bank of Russia experimental legal regime.

- Led the platform build end to end: goals, stages, resources and timelines; coordinated the legal, AML, finance and technology tracks through the first successful test transactions.
- Closed the regulator-supervised track: platform rules, certified cryptographic information security, a RUB 90M capital requirement and API reporting to the Central Bank and Rosfinmonitoring.
- Built the investment case and defended it to the VTB Bank board: a 10-year multi-scenario model and six build-vs-buy options; renegotiating the technology and AML perimeter added 10-15 p.p. of modelled target margin.

Fintech Strategy & Product Lead

Dec 2023 - Jun 2025

Wildberries, Russia

Russia's largest online marketplace, serving 60M+ active users across e-commerce, fintech and logistics.

- Owned the economics of the e-wallet and card products: acquisition and adoption metrics, target CAC and cashback structure, so the wallet pays back instead of losing money on every transaction.
- Built management reporting and product analytics across seven fintech products (lending, insurance, acquiring, the e-wallet): payment-gateway and microservice data through Kafka, Airflow, DWH and OLAP cubes; metric standards, plan-vs-fact, acceptance and SQL logic review.
- Prepared go/no-go decisions on entering Turkey and Uzbekistan: jurisdictions, tax validation, regulation and entry structure (own licence or M&A).
- Ran the portfolio of 15 strategic initiatives: prioritisation, resourcing, and sync across product, IT, finance, legal and risk; five passed product committee, RUB 36B modelled annual profit potential.
- Led a team of six and coordinated 10+ cross-functional partners (IT, product, finance, legal, risk).

M&A Analyst | Ecosystem Company Audit

Sep 2022 - Dec 2023

Tinkoff Bank, Russia

Russia's second-largest bank by active customers, with 55M+ customers and a digital fintech ecosystem.

- Ran an end-to-end audit of CloudPayments online acquiring: merchant onboarding and verification, transaction processing, internal controls, billing and commission logic; identified transactions on unverified merchant sites and quantified potential missed commission worth about 20% of product revenue.
- Led portfolio-level audit and advisory projects for the bank and its fintech ecosystem (10+ companies, combined turnover above RUB 30B a year): product economics, finance, management reporting, risk and governance; worked directly with subsidiary CEOs and bank vice presidents.
- At Koshelek (e-wallet), linked channel, user behaviour and revenue into one attribution chain; channel-level ROMI fed the marketing budget reallocation decision.

Auditor

Apr 2021 - Sep 2022

PricewaterhouseCoopers (PwC Russia), Russia

- Performed audit and financial analysis of international companies (Nike, Coca-Cola, L'Occitane) under IFRS, US GAAP and RAS.

Investment Analyst | internship and independent client projects

Jun 2019 - Sep 2022

Interactive Brokers

- Built DCF models and calculated WACC, performed fundamental analysis of public companies; provided investment analysis services and managed a portfolio, doubling it over the period.

INDEPENDENT PROJECTS

Independent Fintech Strategy Adviser

2024 - Present

- For Magnit (Russia's largest retailer by store count, 33,000+ stores) built an eight-product fintech strategy including the payments block: entry scenarios via an own licence or a bank acquisition; for VseInstrumenti.ru, the acquiring and monetisation strategy.

Independent AI Product Development | automation

2025 - Present

- Took an AI video studio to production: billing and payment flows across seven provider gateways, with a margin guardrail that refuses to sell a generation below cost; automated research, reporting and project paperwork with AI agents.

EDUCATION

- HSE University, Master of International Business (MIB), English-taught programme · Moscow, 2023
- Peter the Great St. Petersburg Polytechnic University, BSc in Management, International Business · St. Petersburg, 2021, with honours
